- **Company:** Global Advertisement Pvt Ltd., Pune
- **Designation:** Process Associate
- **Duration:** 1 year

Projects Handled:

1] B.E CSE :

- **Title:** Storage Service On Homogeneous Distributed Environments
- **Duration:** 1 Year
- **Summary:** Storage service implements a storage system distributed across hardware resources and they are independent because data and files are replicated over network. In this system we provide services like creation of SAN, file mining and dumping, data auditing and data retrieving.

2] TE CSE :

- **Title: Attendance Recording And Analysis**
- **Duration: 6 Month**
- **Summary:** "Attendance Recording and Analysis System" is a software developed for daily student attendance in schools, colleges and institutes. At the end of the month, when the faculty is needed to upload the attendance, they can directly upload it. The roll call and paper records are replaced with a single interaction between the professors.

3] Diploma:

- **Title: Payroll Management System**
- **Duration: 6 Months**
- **Summary:** The Payroll Management System is to generate salary details of employee. The systems generate the employee salary and tax deduction details. The system provides the ability to store and maintain the following details related to the payroll information for an employee.
