## Career Objective:-

Looking for an entry level position to start my career where i can utilize my knowledge and training skills for the better growth of the company.

## Education:-

- Bachelor of Engineering in mechanical from RGPV ( 2018, 7.64 CGPA )
- Higher Secondary from Bihar board ( 2014, 57.00 )
- Secondary from Bihar board ( 2012, 76.40 )

## Subjects Of Interest:-

- Automobile
- Thermodynamics

## Technical Skills:-

- Training on CATIA V5 R21
- Microsoft word
- Microsoft power point
- Microsoft excel

## Minor Project:-

- Obstacle Avoider Robotic Vehicle.

## Description:-

The main objective to develop this project is by obstacle avoiding quality by which it can be used at dangerous place like flood area, earth quick, firing etc.

## Learning From The Project:-

I learnt from here how to work with a team members and about arduino board, ultrasonic sensor, servo motor, dc motor, hot glue etc.

## Major Project :-

- Solar Wind Hybrid Power Generation System With Fire Safety System.

## Description :-

The main reason to develop this project is to use the renewable energy source.

## Learning from this project :-

Firstly, I learnt from that project how to work with group members. I learnt about solar panel, wind turbine, charge controller, wind converter, battery, inverter, A.C and D.C loads, fire extinguisher, smoke alarm and buzzer etc .

## Training:-

- Training on CATIA V5 R21 (Professional Module) From D-Auto
- Industrial training from BHEL (Bharat Heavy Electrical Limited)

## Learning from this Training:-

I learnt about steam turbine and I saw how to make parts of turbine and their assembling process.

## Industrial Visit:-

- Amtek Auto Ltd. : Got Introduced about Forging & Manufacturing of Crankshaft
- Eicher Tractors : Got Introduced about parts & Assembly Line of Tractors
- Eicher Trucks & Buses : Got Introduced about parts & Assembly Line of Trucks

## Soft skills:-

- Persistence- I carry my work even or odd situation, I don't deviate soon.
- Good learners- I can learn anything very easily because I am also a good listener.
- Positive attitude- I never lose my hope and work confidently to get best result.
- Flexible- I can do my work in any situation, time and under pressure too.

## Area Of Interest:-

- Playing cricket match
- Listening to music
- Watching movie
- Internet surfing

## Language Known:-

- Hindi and English
